

## Home

Welcome to the Alvarez-Buylla laboratory website. Our laboratory is interested in neuronal origin, proliferation, migration, and integration in the adult brain. We are part of the Eli and Edythe Broad Center of Regeneration Medicine <sup>[1]</sup> at the University of California, San Francisco <sup>[2]</sup>. Our lab is located on the UCSF Parnassus Campus in the Ray and Dagmar Dolby Regenerative Medicine Building ([map](#) <sup>[3]</sup>).
